CHUDLEIGH & DISTRICT AMENITY SOCIETY

The mosaics project is now on a roll. The idea is to create and install three mosaics that will help to tell the story of Chudleigh. It is a collaborative venture that was initially envisaged by CADAS but now includes Daisy (the arts education organisation that develops art engagement opportunities for children and young people in Devon); our Primary School; and the Town and District Councils that are providing the Section 106 monies to largely finance it. Daisy arranged for one of their artists, Monica Shanta Brown, to create and make the mosaics with the help of children from the Primary School. The older pupils will help her to create the mosaics which will be assembled in her studio and installed in Chudleigh soon after. It is anticipated that around 60 children will play a part in this.

CHRISTMAS FAIR

The Trusham Christmas Fair has proved a popular start to the festive season over several years. It's time to start making plans for the 2017 Fair! Would you like to get involved in some way? If so Diana and Jacqui would love to hear from you. They have offered to co-ordinate the event this year and hope that it will be as successful as last year's.... with a little help from all our Trusham friends!

If you think you could help out in any way (large or small) please let Diana or Jacqui know next time you see them or email

diana.tingley@gmail.com Many thanks!

CHRISTMAS SHOEBOXES

It's that time of year again to start thinking about Christmas shoeboxes for Moldova, the charity we have been supporting for the last few years. Details of suitable things to include can be found at www.cr2ee.org.uk For those who like to knit, scarves, hats and mittens are suitable as it is very cold in winter.

I will let you have final local collection date as soon as I know. Trusham has been very supportive of this charity. It would be wonderful if we could do this again for Christmas 2017. Any queries - ask me. Thanks everyone - and happy knitting.

VILLAGE COMMITTEE

Key points of the meeting held on 11th November

- Defibrillator: information will be put in the kiosk as to what should be done after the defibrillator has been used (e.g. informing the WEBNOS site and/or Community Heartbeat Trust).
- Dog fouling: there are still problems. TDC 'Dog Survey' explains measures to help enforce dog control issues consistently across the district (www.teignbridge.gov.uk/dogsurvey).
- Obstructive parking: The issue of double-parking on the side next to the notice board continues. Use of road markings/reminder notices were discussed.
- Speeding: Phil Brooks' 'comedy log-people' have been well received by villagers and visitors.
- Potholes: It was agreed to encourage more people to report problems to DCC.
- Village Email List. It was agreed that items should be for the benefit of the Trusham community.
- A cleaning checklist is to be drawn up. As there is no regular cleaning, hall users must take responsibility for clearing up after use.
- It was agreed that a new cooker should be purchased
- The success of 2016's Christmas Fair was commended. It was agreed to find organisers for 2017's event

Next meeting Tuesday 7th November at 7.30pm

AND

HOLEY ROADS

Well Church Lane has some fine examples!

Definition - large deep hole - over 40mm deep +300mm wide. If you're fed up with bumping along on Trusham's uneven roads, take action.

<https://new.devon.gov.uk/roadsandtransport/report-a-problem/>

SHUT THAT GATE!

Please remember to close the Village Hall and Church gates - to stop small children wandering out, dogs wandering in and to limit damage during windy winter weather.

PLEA FOR HELP

Can you help by volunteering your time at the Harcombe View Café in The Fire Fighters Charity rehabilitation centre at Harcombe House, Chudleigh. The Café helps to raise funds for our brave fire and rescue people in their time of need, whether injured, ill or requiring psychological support.

The café, run by a group of friendly volunteers, can open only from Thursday to Saturday. It needs more volunteer support to enable daily opening. Every scone, cake, latte or cappuccino purchased goes directly to enhancing the lives of our fire and rescue service family. If you have 3 hours to spare and want to help, speak to volunteer coordinator, Kate Harrison on 01256 368 866.

READ, LISTEN, EAT.....

Up in the Church are books and CDs donated to raise funds. There may even be fruit and veg in the porch. Just put a donation in the box on the wall, to the left of the door. Many thanks
